# Grand High Priest's Message

Companions,

As we welcome the month of May, we enter a season of celebration, fellowship, and transition. This is a time when Cinco de Mayo reminds us of the richness of shared heritage and community—values that closely mirror the joyful bonds of our Royal Arch fraternity.

In this spirit of renewal, we are reminded of the sacred work surrounding the rebuilding of the Temple of the Lord in Jerusalem. After its destruction, the faithful were called not only to rebuild stone and timber, but to restore obedience, unity, and devotion. *“And they sang together by course in praising and giving thanks unto the Lord; because he is good, for his mercy endureth forever toward Israel. And all the people shouted with a great shout, when they praised the Lord, because the foundation of the house of the Lord was laid”* (Ezra 3:11, KJV). Though the labor was difficult and often met with opposition, perseverance and faith carried the work forward. As the Lord declared through the prophet, *“Be strong, all ye people of the land... and work: for I am with you, saith the Lord of hosts”* (Haggai 2:4, KJV). May we, as Royal Arch Masons, likewise commit ourselves to rebuilding—strengthening our Chapters, our fraternity, and our own hearts upon firm and faithful foundations.

April brought tremendous fellowship through the Grand Sessions in Oregon (April 9–11 in Clackamas) and Idaho (April 16–18 in Burley), along with my official visits. These gatherings were filled with fraternal warmth, meaningful learning, and renewed unity, strengthening our York Rite family. While travel takes its toll both mentally and physically, the rewards of service far outweigh the fatigue.

Throughout my travels this year, one theme has consistently stood out: the importance of remaining true to our bylaws—*our* rules. Our Grand Chapter Code clearly underscores this responsibility. As our Constitution states, this document, together with the appended bylaws, forms the official Code of the

**Grand Chapter Royal Arch Masons of Washington (Sec. 1). Strict adherence ensures orderly governance and preserves our sacred traditions. This commitment is especially vital at the local Chapter level, where consistency in meetings, elections, and installations sustains harmony and legitimacy.**

**As we approach elections on May 15 during the Washington York Rite Grand Sessions in Spokane (May 14–16), this marks my final message to you as Most Excellent Grand High Priest. I sincerely hope that the words I have shared over the past twelve months have inspired, uplifted, and motivated you in our shared labor. From every thought in my mind and every feeling in my heart, it is my hope that the Grand Chapter of Royal Arch Masons of Washington—you, my Companions, and those who follow you—may live and prosper as servant leaders, sowing and reaping joy, peace, and fulfillment in all aspects of life.**

**May the Lord bless each Companion with renewed strength and brotherly love as we continue rebuilding in faith.**

**“Finally, brethren, farewell. Be perfect, be of good comfort, be of one mind, live in peace; and the God of love and peace shall be with you.”  
— 2 Corinthians 13:11 (KJV)**

**Fraternally yours,**

## Illustrious Grand Master's Message

### Companions!

It's funny how many times over the last couple of years I have said something like "I am not sure what to write about" or "I don't know what to write about", knowing full well there was plenty to say. Sometimes though, some things are better left unsaid for various reasons, continued Peace and Harmony among the craft being the most important of those. From mid-March until our sessions are over I have been and will continue to be on the run from one place to another, visiting with other jurisdictions, other leaders, youth groups, etc. It was wonderful to see how well the Grand Lodges and York Rite Grand Bodies work together in those jurisdictions.

In Idaho, the Grand Master was tasked with speaking on (I believe) eight different occasions and he had a different message each time. As you can imagine the wealth of knowledge that comes from that short time span alone is amazing and sometimes overwhelming. It's after times like this that you sit back and reflect on the important things in life. God, Family, Friends and your Companions in the best Fraternity in the world.

Prepare yourself—this is my first talk on membership. As I have sat through many Grand sessions and heard the message of membership over and over I am here to say we don't have a membership problem. We have a "Membership" problem. And there is a difference. We can get members to the blue lodges but can we retain them? We can get them to York Rite but do we retain them? It isn't a matter of programs or lack of programs. It is as simple as how you make them feel. Did you bring them in, give them their books and say "see you at the meetings" or did you make them feel like they belonged? Get them involved but not too involved if you can help it. You don't want to overwhelm them. Remember to treat everyone that walks through your doors as if they belong there and are your best friend. That is my talk on membership.

I want to thank you for putting your confidence in me and giving me the chance to serve you as Grand Illustrious Master this year. I have to admit it has been a fun year everywhere I have traveled. I have felt welcome by you and have seen the example of “All In” being practiced in most cases better than I could explain it. I believe our fraternity is the greatest thing going. It is the oldest fraternity and while we should take particular care to protect it we should be cautious not to be over protective. Be elite, not eliteist. Our mission is to make good men better. We can’t do that if we are busy looking down at them. The only time to look down on an individual is when you are helping them up. If you aren’t helping someone to succeed you are failing yourself. Why does it sound like I am talking in cliché’s? I really am not trying to. These are just some things I really believe in. I feel we need to be training people, not only to take our place but to do better than we ever imagined.

Don’t forget our Grand Sessions. If you have not registered yet congratulations! You procrastinate as bad as my mom, wife and Dave. May 14<sup>th</sup> to May 16<sup>th</sup> at Ruby River in Spokane WA. You can register here:  
<https://www.cognitofrms.com/YorkRiteWashington/2026WashingtonYorkRiteGrandSessionsRegistration>

We have a lot of fun planned for you as usual we have the Honorariums on Thursday. Friday will run as normal and after the banquet we will hold the Cigar and Whiskey degree again, with all funds raised going to CMMRF. I’ve been told there will be lots of items for you to purchase, including hats, shirts, challenge coins, etc.

We’ve given out four more First Responder awards thanks to your efforts. I do thank you for putting that out there.

Until I see you again Companions, be good to each other. As always be well and God Bless.

Fraternally,

## Grand Commander's Message

**Sir Knights!**

**Here we are at the end of the Grand Commandery year. It is amazing how fast this year has gone, as well as the past four years.**

**As one of my last official acts, I represented the Grand Commandery at the DeMolay State Convention in Pasco. It is my opinion that DeMolay is historically very close to us with both organizations tracing their history to the events of the Knights Templar. Remember to support them when you can. They are very interested in our organization and I had no less than five young men ask how they can become Knights Templar. This is very encouraging. A number of Sir Knights in uniform will be accompanying me to Mid-Columbia DeMolay Chapter's installation on May 3<sup>rd</sup>. This is another way to support these young men.**

**I wanted to make one more pitch regarding the raffle to support the Knights Templar Eye Foundation and the Holy Land Pilgrimage fund. The proceeds from this raffle will be split 50/50. Most of the District Instructors have raffle tickets and I will have them at Grand Sessions as well. The final total will be announced at the banquet and the winners will be drawn. I want to thank all of you who have supported this effort.**

**Pasco Commandery #21 is going to be doing the Commandery Orders on June 6<sup>th</sup> starting at 10:00AM. Coffee and snacks at 9:00AM. We will be serving lunch so a heads-up as to numbers will be appreciated. If you have candidates who need the Orders it would be a great opportunity for them to complete their journey.**

**We may have candidates from Idaho and Oregon as well as some from the west**

side of the state. Pasco Commandery #21 has three candidates. If you decide to join us, we can always use sideliners.

I am looking forward to seeing many of you at Grand Sessions. I am hoping that you will have a great time.

Lastly, I want to thank everyone for their support this year. It has truly been an adventure, one which I have enjoyed and hope I have done the job you elected me to do.

In His Name

## Greetings Companions from your Royal Arch Masons Children's Heart Foundation

Companions,

First off, I want to give a huge “thank you!” to Anacortes Chapter No. 59 for their recent donation of \$1,000 to the Royal Arch Masons Children’s Heart Foundation. In Freemasonry, there are a myriad number of worthy charities we have the opportunity to support. Your willingness to contribute to this amazing charity is much appreciated.

As I said last month, our annual Grand York Rite sessions will be taking place in two weeks. One way you can continue to help our great charity is to take some unique items home with you! There will be a table set up with items you can procure (all for a nominal donation, of course!) Geoffrey Joosten has graciously offered to oversee the table. Each month you’ve had the opportunity to see items available in the Focus. When you use these items, you’re not only helping raise funds but sharing the charity with others by virtue of our logo.

In April, I asked that everyone take a look at the attached list of trustees. This is the latest list RAMCHF has. Please let me know if your name is listed and your district (for some reason the districts aren’t on my paperwork). If you are no longer wanting to hold the position, please let me know so we can find a replacement. I’ve had some people say “I didn’t know I was a Trustee”. If your term is up in 2026, please let me (or our vice presidents Ellery Kabina and David Aponte) know if you want to stand for reappointment. Your service is and always has been much appreciated. I want to ensure the districts have representation throughout the state.

Chapter Secretaries, please don’t forget that each Chapter has a Heartbeat Box for donations. Before sessions, please collect those monies and have your treasurer write a check to “RAMCHF” and bring it to the sessions. Our Grand Scribe will have his LARGE collection box there as well! Remember, every donation is important!

## **Royal Arch Research Assistance (RARA)**

**R.A.R.A. - Royal Arch Research Assistance is a Philanthropy of the General Grand Chapter of Royal Arch Masons, International, was established by action of the General Grand Chapter in 1975.**

**The purpose of the Philanthropy is to assist in providing funds for Research in areas where there is great need, and which are less than adequately funded from other sources. They have and are directing their main thrust of support to Research in the area of Auditory Perception, which adversely affects untold thousands of children, especially boys.**

**The study of central auditory function is an intriguing endeavor. A central auditory processing disorder impacts the academic, work, and social behavior of the child and adult. The condition causes them to scramble written, or oral, instructions and thus not understand what is wanted or desired of them even thou they have normal intelligence, normal vision and normal hearing.**

**This program is identifying the problems (causes) and the cures for this malady. Over the years exciting results have occurred for many children with specialized use of acoustic earplugs and earmuffs, strategic classroom seating arrangements, FM wireless microphone systems and even electronic manipulation of speech signals used to enhance the intelligibility of speech.**

**Much has been learned and accomplished, however, much still needs to be done. The General Grand Chapter of Royal Arch Masons is pleased to still contribute to the financial support of this worthy endeavor.**

## **Cryptic Masons Medical Research Foundation (CMMRF)**

The Cryptic Masons Medical Research Foundation is the national Philanthropy of the General Grand Council of Cryptic Masons, International.

### **Our Incorporation—March 6, 1986**

The Cryptic Masons Medical Research Foundation, (CMMRF), was incorporated in the state of Oklahoma, driven by Most Puissant General Grand Master Ben Mandlebaum, of the General Grand Council, Cryptic Masons International.

### **Endowed Chair Established at IU—February 1996**

The CMMRF Board of Trustees agreed to fund a Chair at the Indiana University Medical Center at the cost of \$1 million. The Foundation agrees to contribute \$200,000/year for five years to endow the chair. As an incentive, the university offered to guarantee a 5% income on the endowment plus matching it with a 5% payout from the endowment.

### **Dr. Keith L. March, Inaugural Chair—1999**

Early in 1999, Keith L. March, M.D., PhD., was named the first holder of the newly endowed CMMRF Chair.

### **IU Endowed Chair Funded—1999**

The final \$200,000 payment was made in December 2000 to fund the Chair at Indiana University.

### **CMMRF Lab Rebranding Strategy—December 2000**

The laboratory sponsored by CMMRF was rebranded as the Indiana Center for Vascular Biology and Medicine (ICVBM). This new program and the creation of an endowed chair drew more than \$2,000,000 in additional funding for the program from non-Masonic sources.

2001-2002 \$300,000

### **Donation 2007**

In 2007, a non-Masonic benefactor challenged CMMRF to match his \$50,000 donation to the Indiana Center of Vascular Biology and Medicine. By meeting his challenge, CMMRF contributed \$300,000 to ICVBM in 2007.

### **2007 Single Donation Makes Big Progress**

In 2008, a Cryptic Mason donated \$20,000 which CMMRF matched and enabled Cryptic Masons to give \$240,000 to ICVBM for research in 2008. Today, upon request, CMMRF will match \$5,000 donations, up to \$25,000.

### **ICVBM selected to join CCTRN—2008**

The IU center was tapped to join the Cardiovascular Cell Therapy Research Network (CCTRN), funded by the National Institutes of Health.

"CMMRF supports the Indiana Center for Vascular Biology and Medicine, (ICVBM), located at the Indiana University School of Medicine and the Richard Roudebush Veteran's Administration Medical Center located at Indianapolis, IN.

Because blood vessels are important in maintaining the health or repairing almost all tissues, practically all diseases turn out to have a vascular component connected to their origin or remediation. Diabetes, stroke, poor circulation, wound healing, and many other diseases share the common denominator of blood vessels. Centering our contributions to an organization that addresses so many different health concerns, both nationally and internationally, allows our supporters to share in the medical advancements, regardless of geography. Through the basic and clinical research, conducted by ICVBM and supported by CMMRF, advancements are being made to discover cures for many of today's health problems, prevent major diseases, and finally to save lives. We have the opportunity to improve the human condition for those most dear to us and ourselves. We invite you to become a part of this team and join our partnership in discovery. Let's do something great together!" *(copied from the CMMRF official web page and used with the permission of the CMMRF)*

To All Cryptic Masons Where So Ever Dispersed over the Face of the Earth:

*In remembrance of the chartering of Cryptic Masons Medical Research Foundation, The CMMRF Board of Trustees declared Saturday, March 6<sup>th</sup>, 2021 as CMMRF DAY, calling on all Cryptic Masons to donate five dollars (\$5.00), to their home Council as tribute to this philanthropy and its great works.*

Do not forget the tax and charitable opportunities of directing a portion of your RMD's, (Required Minimum Distributions), to CMMRF, and please consider remembering CMMRF in your estate planning documents.

Council Recorders are to accumulate all donations and send one check, on behalf of the Council to:

CMMRF  
P.O. Box 210  
Brownsburg, IN 46111-0210 by May 15, 2021.

Thanks for all you do for our great philanthropy!

## **Knights Templar Eye Foundation (KTEF)**

**The mission of the Knights Templar Eye Foundation is “To Improve Vision Through Research, Education, and Supporting Access to Care”.**

**The Knights Templar Eye Foundation, incorporated in 1956, is a charity sponsored by the Grand Encampment of Knights Templar. The Foundation is governed by a Board of Trustees comprised of the six elected officers of the Grand Encampment, all Past Grand Masters of the Grand Encampment, and six trustees-at-large elected from and by the membership for a term of nine years. It is exempt from federal income taxation under Section 501 (c) 3 of the Internal Revenue Code and contributions made to the Foundation are deductible by donors.**

**The original mission of the Foundation was “to provide assistance to those who face loss of sight due to the need for surgical treatment without regard to race, color, creed, age, sex or national origin provided they are unable to pay or receive adequate assistance from current government agencies or similar sources and to provide funds for research in curing diseases of the eye”.**

**On December 31<sup>st</sup>, 2010, the Knights Templar Eye Foundation, Inc., by direction of the board, shifted the Foundation’s focus and adopted a new mission statement “to improve vision through research, education, and supporting access to care.” The Foundation now only participates in direct patient care through the Seniors Eye Care Program in partnership with EyeCare America and the Foundation of the American Academy of Ophthalmology. With this change, the Foundation is benefitting untold millions in generations to come through grants that support research and education. Our research dollars have helped develop new nonsurgical, treatments for strabismus (crossed eyes) and ophthalmologists have told us that our efforts in funding pediatric ophthalmology research have been the primary reason that there are fewer and fewer surgeries for strabismus. The Knights Templar Eye Foundation, Inc., annually announces its call for research grant applications. The Foundation invites eligible investigators to submit applications for pediatric ophthalmology research grants for the award period which normally runs from July 1 to June 30. From the applications received, the Scientific Advisory Committee recommends to the Trustees which requests should be funded.**

**Since its inception, the foundation has expended over \$156M on research, patient care, and education. Research grants totaling in excess of \$28M have been awarded to researchers working in the fields of pediatric ophthalmology and ophthalmic genetics.**

### **Ways to Donate**

**\*Payments for Life Sponsor, Patron, and/or Associate Patron will exempt your Grand Commandery from further assessment to the Knights Templar Eye Foundation, Inc.**

**\*\*The Grand Master's Club - One Thousand Dollars enrolls you as a concerned individual in the humanitarian work of the Foundation. The Grand Master's Club is available to all individuals, whether Templars or others, but not to organizations. ## **Officer's Rosters**

There are two kinds of MMS officer's rosters that are the most used by your Grand Heads-of Body, Grand Secretary and Grand Recorders in Washington. Both should be current. Both are much easier to maintain if your MMS membership rosters are also current. There are some important protocols to follow, but they are fairly simple:

### **A. For current officers:**

1. Navigate to the "Officers edit" screen under "Organizational Maintenance;"
2. You may edit the list by typing the new name in the proper space;
3. Make certain to enter the date of installation;
4. If a member is repeating an office, enter the NEW installation date;
5. If you elect officers for two years, enter the date as if they are being installed annually (This may change when WA legislation is clarified as to this MMS protocol.)
6. Be sure to click on "Save All" so you don't lose your work.

### **B. For past heads-of body:**

1. From the officer's edit screen, select the "Past Officer's" tab at the top of the screen;
2. On the bottom of the screen, select "add officer";
3. Members may appear several times in this roster, once for every year they served as the head of body;
4. Be sure to click on "Save All" so you don't lose your work.

Please feel free to call me if you have any questions regarding MMS.

**Greetings from Royal Arch Park!!**

**We are still in the process of cleaning up the park from the floods and the snow that hit us during the winter. We are making great progress and almost ready for the first rentals.**

**The park will be open this upcoming season as normal. As of now the park is almost completely rented.**

**We can now say we are out of the woods. We have put in a lot of time and energy in the last few months so the Royal Arch Park can continue to be a wonderful place for the many groups to continue enjoying its beauty.**

**A big thank you to all the volunteers that have already made it out to the park to help with the cleanup. We will be hosting a BBQ for all the volunteers that have helped with the flood clean up and repairs this month when the weather gets nicer.**

**Best Regards  
Companion Jeff Long

## Washington Masonic Services (formerly Washington Masonic Charities)

The first priority listed in our mission at Washington Masonic Services (WAMS) is assisting Masons and other community members in need, focusing on aging in place and securing resources for critical essentials. We do this primarily through the work of our case managers, who are each Certified Senior Advisors (CSA). Earning the CSA certification requires individuals to pass a rigorous exam and to uphold the highest ethical standards for the benefit and protection of the health and welfare of seniors.

To maintain their certification, CSAs must complete ongoing continuing education requirements. In their work delivering our Outreach Services program, these professionals bring both their significant expertise and abundant compassion to bear on behalf of the Masonic Family and others needing critical services.

The CSA's paramount focus is to help their clients lead meaningful and dignified lives, providing peace of mind to both the senior and their loved ones. Their efforts involve activities like home safety assessments, finding care resources, streamlining finances, and connecting clients with volunteer and agency resources to help with independent living as well as skilled care. Depending on the situation, WAMS may be able to provide some charitable assistance for expenses like minor home repairs or modifications, or durable medical equipment.

Of just as much value, though, is the warmth and emotional support they provide during what are frequently very challenging days. One of our CSA's recently helped a Mason who reached out for support dealing with his wife's memory issues. Among other needs, the Brother's wife had started trying to leave their home both during the day and at night, causing him great concern. He had a lot on his plate. Our CSA worked with him to do an assessment of their situation. From that, she connected them with care-giving services so there wasn't so much for him to do each day, and suggested the installation of door alarms to help ensure her safety during the night and a timer for the oven to make sure it couldn't be turned on without proper supervision. Her actions brought safety, peace of mind, and a better night's sleep!

Our Outreach Services are here for Masons, their families, and other people in the community facing urgent, critical needs that can't be met through alternate resources. We're seeking to identify a WAMS Lodge Liaison to be each Lodge's dedicated representative, acting as a resource to help connect members to our programs, especially Outreach Services. Thank you to the Liaisons who've already volunteered for this important role. For more information, go to [www.masonscare.org/lodge-liaison/](http://www.masonscare.org/lodge-liaison/).

We're looking forward to partnering with you to support the Masonic family and your communities throughout this year.
